

ALCOHOL AND YOU

UNDERSTANDING UNDERAGE DRINKING AND ITS IMPACT

NOT EVERYONE IS DOING IT!

More than **6 OUT OF 10** teens report
NOT DRINKING ALCOHOL

DRINKING ALCOHOL CAN LEAD TO
NEGATIVE CONSEQUENCES
physically, mentally, and socially

Teens who drink are

2x

More likely to engage in sexual activity, including unprotected sex and other risky sexual behaviors

Teens who drink are

2x

More likely to consider attempting suicide than those who don't drink

Your chances of becoming addicted are

SIGNIFICANTLY DECREASED

with each year drinking is delayed

Nationally, alcohol contributes to around

5,000 DEATHS

AMONG YOUTH EACH YEAR
