Coordinator Region 2 - Windham

→ Apply: <http://bit.ly/PartnershipVista2>

WHY WORK WITH THE PARTNERSHIP?

We believe in the power of young people. Young people are change-makers and one of our nation's most precious resources.

With us, you will help combat the opioid epidemic and bring local prevention and youth mentoring opportunities to scale.

At The Partnership, you will have creative freedom, ample resources, and the support of an enthusiastic team. We will help you begin your prevention career while we make a significant difference in Connecticut communities.
